October 12th Meeting Minutes

Meeting called to order at 6:45pm

Donna Dunn, President welcomed all 4 members in attendance.

A Thank you to Dick and Elizabeth for hosting our June Picnic.

Round Table discussion/update on future events at Chelaque Estates on the 27th of October, Dave and Leona were given CLUA personalized trash pickers to give to new neighbors that will be participating. Danielle mentioned the trash barges at Hamblin Marina and discussion of how CLUA could best assist in cleaning them up. Hamblin will not dumpsters for cleanups. GPS coordinates were requested of any islands that have trash and Barrels that need to be adopted/emptied.

Treasurer Report was given and approved as is. All of our expenses have been clean up supplies.

Water Sampling- Ended for 2021. New Professor Susan McGaha at Carson Newman. Next years' testing tentatively to begin in March. Dave mentioned possibly investing in more of the test kits that include PH, water sediment and Alkaline levels. Danielle and Richard have offered to take over the testing at the Hamblin Dock.

Membership- The Facebook ads continue. Donna encouraged all to attend Chamber meetings and possibly host a booth at Fairs. Currently there is no membership fees, we are totally funded by grants, Donna to show Leona the process

Adopt a Barrel Program- There is one barrel left after Gene and Leona pick up their two. There are 23 barrels, 17 are adopted.

Summary of 2021: Barrel areas cleaned up and continue out of Black Oak Marina with Carson Newman University Students

- 4/14 Chelaque Estates
- 5/1 Legacy Bay
- 5/22 Lakeside Marina- Justin Miller, new owner.
